RIGHT

GOOD CITIZENSHIP QUIZ
TEST YOURSELF: ANSWER THESE QUESTIONS:

1. Is your yard clean? YES NO
2. Do you help keep your yard clean? □ □
3. Do you put garbage in metal garbage cans? □ □
4. Do you put rubbish in the rubbish can? □ □
5. Do you put covers on the cans? □ □

If your answer is Yes in every case, you are doing your part as a citizen to control RATS!

RATS are man's worst enemies among animals. They destroy millions of dollars worth of property each year!

RATS carry dread diseases. They eat almost anything. Rats can gnaw through wood, plaster and soft metals. They have started fires by gnawing matches and electrical wires.

Telephone: (404) 613-1303
EVERYONE MUST HELP CONTROL RATS

HOW TO CONTROL RATS

Store garbage and rubbish in tightly covered cans.

Rats will live in trash, and drink rain water in empty cans. Keep yards, lots, free from rubbish and garbage.

STORE FOOD PROPERLY.
Keep pantries, sinks, food counters clean.

BASMENT WINDOWS SHOULD FIT TIGHTLY, AND HAVE NO BROKEN PANEs.

All openings ½" or wider in the foundation walls, and within 30" of the ground, should be rat-proofed with metal collars or cement.

GARbage IS RAT FOOD!
Be sure all garbage, rubbish, ashes in your yard is placed in containers.

Bird food should be placed on raised platforms.
